

HAVE YOU EXPERIENCED...

**FOSTER CARE
KINSHIP CARE
RESIDENTIAL CARE
JUVENILE JUSTICE**

**Your experiences matter.
Your story can shape better support!**

The Marshall University Center of Excellence for Recovery is conducting a needs assessment to better understand the needs, strengths, and experiences of young adults ages 18–25 who have been involved in foster care, kinship care, residential care, or the juvenile justice systems in the following states:

Maryland

Mississippi

North Carolina

West Virginia

- ✓ Survey is anonymous
- ✓ Participation is completely voluntary
- ✓ Eligible participants can enter to win a \$25 gift card
- ✓ IRB deemed exempt as not human subject research

**Gift Card Provided to
All Maryland Participants
with email address*

We appreciate your help in strengthening resources for young adults across these states. Scan the QR code to complete survey or visit <https://tinyurl.com/3h26nr5z>
